BREEDERS' DIRECTORY APPLICATION

COPY DEADLINE 31ST JANUARY 2019

GCCFSA registered Breeders are invited to advertise in the **2019 Breeders' Directory**. The Directory is available in print for the public and members at cat shows, pet expos and the Adelaide Royal Show. Copies are provided to interested vets and local Councils by members, and to organisers of pet promotions and functions. All breeders in the Directory are included on the GCCFSA website as part of the advertising fee.

I hereby apply for inclusion in the **GCCFSA BREEDERS' DIRECTORY** and agree to abide by GCCFSA Rules and Codes of Ethics, and with the SA Dog and Cat Management Act (see overleaf). I enclose fees payable or receipt of direct deposit.

NEW RULES FOR BREEDERS IN SOUTH AUSTRALIA

From 1 July 2018, anyone in South Australia who wishes to breed dogs or cats for sale or trade must register with the Dog and Cat Management Board. This isn't limited to pedigree breeds, and includes people whose dogs or cats have accidental litters. If you breed and you sell, you must register.

Registration for GCCFSA registered Breeders will be through GCCFSA. When you register as a breeder, you'll be issued a Breeder Registration Number (BRN). Your BRN must be listed in any advertisements you post, when selling a dog or cat. This number lets potential buyers know you are registered and entitled to breed and sell dogs or cats. It also enables purchasers to contact you, if any issues arise with the pet, after sale.

GCCFSA will provide more details as this program comes online.

CODE OF ETHICS FOR BREEDERS / OWNERS* (Changes pending AGM 22.01.19)

- 1 Breeders breed with the intention of improving the standard of their chosen breed, and not for commercial purposes.
- 2 **All litters and kittens of a litter should be registered with the GCCFSA.**
- 3 Not knowingly sell or transfer from their care, any cat/kitten to commercial wholesalers, retail pet dealers, or directly or indirectly allow a cat/kitten to be given as a prize or donation in a contest of any kind.
- 4 The cat/kitten shall be in the best possible condition and health before it goes to a new home.
- 5 Cats and kittens should be handled sufficiently to be well socialised.
- 6 No kitten should be sold at less than twelve (12) weeks of age.
- 7 As far as possible it should be free from internal and external parasites.
- 8 The cat/kitten should be immunised against Feline Infectious Enteritis and Feline Respiratory Diseases – the final effective Feline Infectious Enteritis injection for a kitten being given at not less than twelve (12) weeks of age.
- 9 All breeding cats shall be tested for known heritable diseases.
- 10 Transfer of a cat/kitten must be effected within 3 months of gift or sale to a new owner. This is the responsibility of the breeder.
- 11 Transfer may be made for 'Breeding' or 'Non-breeding'. 'Non-breeding' means that should the cat produce kittens, none of its progeny can be registered as the cat is meant to be desexed. It is the responsibility of the breeder to explain to the new owner the meaning of 'Non-breeding' status.
- 12 Furnish the new owner with details of diet, and any information that will ensure the cat/kitten fits into its new environment with minimum stress.
- 13 Ensure that the purchaser of a stud male is made fully aware of the care, responsibility and the standard of facilities required to keep such a cat.
- 14 Do not permit matings between registered and unregistered animals.
