

THE GOVERNING COUNCIL OF THE CAT FANCY OF SOUTH AUSTRALIA INC.

Established 30th June, 1962
Affiliated to The Australian Cat Federation (Inc)

SOCIAL MEDIA POLICY

PURPOSE

Social media provides an excellent opportunity for people to gather in online communities of shared interest and create, share or utilise the content. As a member-based organisation, the Governing Council of the Cat Fancy of South Australia (the GCCFSA) recognises the benefits of social media including the opportunities it offers for members to communicate with each other and other communities who have shared interests.

The GCCFSA and its members have long histories and are highly respected organisations. It is important that the reputations of the GCCFSA, its members and the cat lovers, cat breeders and cat owners in South Australia are not tarnished by anyone using social media platforms inappropriately, particularly in relation to any content that might reference the GCCFSA.

The GCCFSA recognises the need to have a Social Media Policy which ensures its authorised representatives and members who use social media either as part of their membership or in a personal capacity, have guidance as to the GCCFSA's expectations. These expectations arise where the social media engagement is about the GCCFSA, its members, and/or other related individuals or organisations.

Given the rapid uptake of social media, this policy will be reviewed regularly to ensure it remains applicable. However, breed clubs may deem it prudent to develop a social media policy for their members at club level and through their own internal procedures.

APPLICATION

Social Media Policy is a policy of the GCCFSA and it applies to all GCCFSA members and to any other person who is notified that this policy applies to them.

If you require clarification about aspects of this policy and how it applies to your own circumstances, please discuss this with the GCCFSA Secretary.

POLICY

You are required to follow this Policy if you are, in your personal use of social media platforms:

- 1 officially appointed to represent the GCCFSA in social media, or
- 2 if you are discussing the GCCFSA, its members or services, or any other individual or organisation associated with the business of the GCCFSA or member related issues.

The GCCFSA's Social Media Policy does not apply to personal use of social media platforms where you make no reference to GCCFSA related matters or GCCFSA members.

The essential guiding principles of this policy are:

- 1 The web is not anonymous. GCCFSA members should assume that everything they write can be traced back to them.
- 2 It is essential that all references to the GCCFSA and its members are correct.
- 3 Honesty is the best policy. GCCFSA members and breeders should think of the internet as a permanent record of online actions and opinions.
- 4 Demonstrate respect for the individuals and communities with which you interact at all times. Ensure the GCCFSA's intellectual property or its relationships with sponsors and stakeholders is not compromised or that the GCCFSA is not brought into disrepute.
