Special Thanks to our Commercial Sponsors:

Breed Awards:

We have Breed Awards in each breed section today (seen in catalogue following classes) and we have avoided combining breeds even if virtually the same breed except for coat length. Sometimes this may leave only one exhibit in a section, but this does not guarantee a win as judges can withhold any award if they do not consider an exhibit to be worthy of it. "Bests of Breed" may receive a ribbon or a rosette today, although we have had a mix-up over our ribbon order, and other breed results (Reserve, Third Best, etc) will be written onto prize cards and that is all, apart from any "end of year points" earned, which can be very valuable to top cats.

Prizes will be awarded for Special Awards numbered 1 - 72.

Rosettes for Group winners in one Ring (where possible). Rosettes for Judges Fancies, and prizes for Miscellaneous Awards.

Small Side Class awards will be placed on cages.

The Group Special Awards

The Group Specials "Prize Awards" are now printed at the beginning of each group.
Other "specials" for which prizes will be awarded are below.

Goodie bags and sponsored prizes

All exhibitors received one of these on admission to the show this morning and we hope you enjoy receiving these little "rewards" for entering our show. This is something Tandanya usually does if we do not have a major food sponsor, but we are doing it at this show even though we have excellent sponsorship from CATMATE and other companies. We also like to promote "Beyond Blue" by using their bags and including their leaflets, so we are always very glad to receive their donation of bags.

CATMATE litter has been donated for prizes in Ring 1 and their generosity, which is very much appreciated, will ensure that all Group Award winners in Ring One are presented with CATMATE litter.

Group winners in Ring Two will receive litter and winners of smaller awards will receive other product.

We've also had some overseas and interstate rosettes donated, some of which we have had "remodelled", and some prizes. Tandanya sincerely appreciates the generous donations from exhibitors and everyone who has donated, and cash donations have been put towards our rosettes, so the Club does not have to bear the whole cost out of its savings. This left the club with sufficient funds to cover the expenses of two interstate judges and two local judges. Unfortunately our rosette order has gone astray so some have not arrived.

Due to exhibitor requests, we will try to put results cards and side class awards on cages but there are limits to the number of volunteers available for this.

The Good Oil

Omega 3 & 6 Blend for Animals

A supplement for animals deficient in essential fatty acids to help maintain a healthy skin and coat.

What are essential fatty acids (EFAs)?

EFAs are the polyunsaturated omega 3 & 6 components of fat that are essential to normal biological function. They cannot be synthesised by the body and must therefore be supplied in the diet. EFA deficiency in animals is often characterised by poor skin condition and a dull, coarse or uneven coat.

The Good Oil contains the following EFAs and fat-soluble vitamins:

Omega 3 & 6 fatty acids to help maintain a healthy skin and coat condition.

Vitamin A for vision and maintenance of skin tissue.

Vitamin D₃ for bone growth and absorption of calcium.

Vitamin E which is an antioxidant and helps maintain cell membranes.

Dose: 0.5mL per kg of body weight applied daily to food for 2 weeks, thereafter every second day. The highly palatable oil is readily accepted by most animals.

Each mL contains

410mg	Oleic Acid (omega 9)
290mg	Linoleic Acid (omega 6)
110mg	α -linolenic Acid (omega 3)
25mg	Eicosapentaenoic Acid (omega 3)
12mg	Docosahexaenoic Acid (omega 3)
30 μ g	Vitamin A
2 μ g	Vitamin D ₃
3mg	Vitamin E

Available in 250mL, 1L and 5L

From The Show Committee

We are sorry if this show is a bit disorganised but we WERE running to schedule (or actually early) when health issues required an ambulance trip to the QEHL on Monday night. After fasting and being on IV fluids until Wednesday, she then had an endoscopy and was discharged on Thursday afternoon. Meantime Linda had contacted the lady about rosettes that were ordered (last November), and “specials list that was sent as arranged then, and was told they had nothing at all (despite e-mails we have from last year) so we have a shortage of rosettes. However, we have lots of produce from other sponsors. Food was also a disaster – the person in charge of sponsorship was on maternity leave when we contacted her (earlier than in the past) and her replacement didn’t get our application (although he sent three “out of office” messages before he told us we were “too late”), so there is no major food sponsor. We hope the rest makes up for it. As Nell was only discharged yesterday afternoon, this show has been put together by a lot of people, and we are all very grateful for their help.

Without that assistance there is no way there would have been a show today.

We hope you are all happy, and appreciate the joint effort that put it together, despite any problems.

ROYAL ADELAIDE SHOW

31 August - 9 September 2018

Schedules & online entries are now available.

ENTRIES WILL CLOSE Friday 22 June 2018 at 5.00pm CST

JUDGE Nancy Parkinson Austin Texas,(TICA)

Nancy Parkinson was born in Houston, TX in the early 1940s. In 1948 her family moved to Venezuela where she spent her formative years. The family had a menagerie of pets, including several dogs, rabbits and birds but...no cats!

After graduation from college Nancy got her first cat...a black and white moggy named Gasser. Gasser was the beginning of her love affair with cats. She got her first Siamese in 1966, a seal point named Hegel. Soon after, her first registered Siamese, a blue point named Geo-Jes Sybille joined Nancy's cat family. Hegel and Sybille were the beginning of a passion for Siamese.

Nancy began seriously breeding Siamese in 1981 under the cattery name of Fiesta. She registered her current cattery, Pzazz, in 1987 with her husband Bob, and bred her first litter of Oriental Shorthairs in 1989. A litter of Bengals in 1997...one of her favorite breeds...was a pleasant interlude to the Siamese and Orientals. Nancy was instrumental in getting the Peterbald accepted as a recognized breed in TICA. She has owned and showed Persians.

Nancy is a licensed Distinguished Allbreed Judge and a ring and school instructor for The International Cat Association (TICA). She has served as Clerking Program Administrator, Deputy Judging Program Administrator, Chair of the TICA Rules Committee and as Vice-President. Nancy has been judging since 1986 and loves every minute of it. It is always a thrill to be able to handle so many beautiful cats. She was honored to be selected as TICA Judge of the Year in 2003.

Nancy currently lives in Austin, Texas with her two cats, Laredo, an Oriental Shorthair, and Jimmy, a very special moggy. When Nancy is not busy with cat things, she enjoys gardening...there is something very therapeutic about digging in the dirt! She also enjoys cooking, listening to classical music and jazz. And, she loves to travel!
