PHOENIX CAT POLES

Purrrparazzi is the collaboration of photographic expertise of two of South Australia's Best Cat Photographers – Melissa Neumann and Rita Bruche. It's important for breeders to be able to promote their cats on social media and on their websites. Their collaboration at this show will provide images that can be used freely to promote the importance of pedigree cats. Copyright remains with the photographers, but the watermarked images are available for free download for the good of the entire community. Non-watermarked images are also available for a small fee.

Please support these photographers where you can so they can continue to provide this service to our community.

Melissa Neumann
PHOTOGRAPHY

Accredited Professional Photographer and Master Photographer Melissa Neumann has always loved photographing pets. As part of her portrait business for some time they have been included in family and baby photoshoots.

Over the last few years Melissa has been moving more and more into specializing in this area and is now known as The Cat Photographer.

Her 30yrs in the photography industry makes her a leader in the Australian Portrait Photography field. She has won many awards for her photographs locally and internationally, she is a speaker for Nikon Australia, and a well renowned photography judge. Her love for cats and pets in general has her moving in a new direction.

Her current project is a book to be released in 2020 called "100 cats". Talk to Melissa about this project if you would like to know more.

Rita Bruche
PHOTOGRAPHY

Rita is a trailblazer: Rita's work combines 19 years of showing and breeding cats with training in clinical psychology to create photos that show the depth of feeling between people and their beloved furry families.

Rita's lifelong love of photography is "her passion, her compulsion, her therapy".

Rita strives to make each subject show their true character, and to be the star of the session. As a breeder, she understands how important it is that you have the perfect rendering of your perfect specimen for your website.

Cats are her favourite subjects, as her life revolves around them. As a cat breeder since 2000 she is surrounded by fascinating subjects!

She pioneered the genre of cat show judging photography in South Australia. This is now an expected part of a cat show experience. It has taken many years of hard work to achieve this status, and She is proud to have archives of wonderful moments from our cat show history.

SomaliRita Catsnaps has regularly donated sponsorship for Cat shows and has raised hundreds for charity via photo booths for the Feline Health Research fund in Australia

Eye Envy

How to Use Eye Envy for your Cat

Tear Stain Remover

Website: www.eyeenvy.com.au.

Step 1: If your pets eyes are very crusty and full of debris, then GENTLY clean around their eyes with warm water and a toothbrush (softly) or a small flea comb. Try to remove as much debris as possible. If eyes are mostly runny, with no big clumps of debris, then skip this step.

Please NOTE: Step 1 is for first time users and for animals that have EXTREME debris in their eyes. After the initial application of Eye Envy, you will only have to do Steps #2 and #3.

Step 2: Shake bottle of Eye Envy solution well and apply to the eyes using the special Eye Envy applying pads

Step 3: Gently wipe around eye area. Don't be afraid to get it too wet. Do NOT pour Eye Envy solution into eyes, but don't worry if a bit gets inside. Allow to dry.

Step 4: After completing steps #1 through #3, gently work the EYE ENVY POWDER into your pets fur, working around the eyes and working powder against the hair growth using the special Eye Envy applying pads. Allow to dry. You can apply the powder immediately after applying the solution. The powder is used more by show people, but definitely brightens the fur. Avoid powder in their nose. VOILA. You're DONE! Your pets eyes should look great within a few hours!!!!

Do NOT pour into eyes

Golden Awards

ENTRIES SHOWN IN EACH GROUP

A GOLDEN AWARD FINAL will be held annually for Governing Council registered PEDIGREED CATS, with separate classes for Entires and Neuters. All exhibits must be nine (9) months of age or over. Qualifying heats may take place at any approved show except the show at which the finals take place. The finals may take place at a Governing Council Show or at any show nominated by the Governing Council. The entry fee for the qualifying heats is to be \$5.00. There will be no entry fee for the finals, but cats concerned must enter a Challenge or Award of Merit Class. If there are up to nine (9) entries in a Qualifying class the judge may award two (2) qualifiers and a reserve. If there are 10-14 entries the judge may award three (3) qualifiers and a reserve. If there are 15-19 entries there may be four (4) qualifiers and a reserve. For each additional five (5) entries there may be one (1) additional qualifier. There will be no minimum entries required for the class to be held.

Qualifiers are eligible to enter the finals but may not enter any more qualifying heats during the current Golden Awards year. Reserves are eligible to enter the Finals if any of the Qualifiers from their heat are not benched. Reserves may attempt to Qualify in their own right at other shows in the same Golden Awards year, and if successful are then qualifiers. Entire cats who qualify for the finals and then are desexed prior to the finals, must requalify in the Neuter class for the finals. Desexed cats must qualify in the Neuter qualifying classes. Entire qualification is not transferrable to Neuter class. Judges may withhold any placings if they do not consider that there are entries of sufficient merit. Exhibits who qualify after the closing of entries for the Finals carry over into the finals of the next Golden Awards year. Governing Council will make available to show holding qualifying heats a suitable prize card. For the finals, Council will provide a prize card, a sash or rosette, and the above monies.

Purrrparazzi is the collaboration of photographic expertise of two of South Australia's Best Cat Photographers – Melissa Neumann and Rita Bruche. It's important for breeders to be able to promote their cats on social media and on their websites. Their collaboration at this show will provide images that can be used freely to promote the importance of pedigree cats. Copyright remains with the photographers, but the watermarked images are available for free download for the good of the entire community. Non-watermarked images area also available for a small fee.

Please support these photographers where you can so they can continue to provide this service to our community.

Melissa Neumann
PHOTOGRAPHY

Accredited Professional Photographer and Master Photographer Melissa Neumann has always loved photographing pets. As part of her portrait business for some time they have been included in family and baby photoshoots.

Over the last few years Melissa has been moving more and more into specializing in this area and is now known as The Cat Photographer.

Her 30yrs in the photography industry makes her a leader in the Australian Portrait Photography field. She has won many awards for her photographs locally and internationally, she is a speaker for Nikon Australia, and a well renowned photography judge. Her love for cats and pets in general has her moving in a new direction.

Her current project is a book to be released in 2020 called "100 cats". Talk to Melissa about this project if you would like to know more.

Rita Bruche
PHOTOGRAPHY

Rita is a trailblazer: Rita's work combines 19 years of showing and breeding cats with training in clinical psychology to create photos that show the depth of feeling between people and their beloved furry families.

Rita's lifelong love of photography is "her passion, her compulsion, her therapy".

Rita strives to make each subject show their true character, and to be the star of the session. As a breeder, she understand how important is is that you have the perfect rendering of your perfect specimen for your website.

Cats are her favourite subjects, as her life revolves around them. As a cat breeder since 2000 she is surrounded by fascinating subjects!

She pioneered the genre of cat show judging photography in South Australia. This is now an expected part of a cat show experience. It has taken many years of hard work to achieve this status, and She is proud to have archives of wonderful moments from our cat show history.

SomaliRita Catsnaps has regularly donated sponsorship for Cat shows and has raised hundreds for charity via photo booths for the Feline Health Research fund in Australia
