## GCCFSA COVID-SAFE GUIDELINES

### GCCFSA will:

- Keep an attendance record, including the name, phone number or email address, and date and time of people attending the cat show, for the purpose of contact tracing in relation to COVID-19.
- Maintain and encourage others to maintain the physical distancing principle of at least 1.5 metres separation, where possible:
  - This includes between groups within each room.
  - At entry and exit points.
- Consider venue layout and move tables and seating to comply with physical distancing (1.5m separation) and density requirements (1 person per 2 square metres).
- Dedicate separate entry and exit doors from separate rooms, and pathways to encourage “one-way traffic” where possible.
- Minimise mixing between separate rooms or groups of people as much as possible.
- Display signage at the venue entrance to instruct members of the public (and staff) not to enter if they are unwell or have COVID-19 symptoms.
- Monitor compliance with physical distancing requirements, with particular regard to areas where members of the public might congregate.
- Encourage and support downloading of COVID-Safe App.
- Clean bathrooms more frequently than lower traffic areas, especially taps, door handles and other frequently touched points.
- Provide hand sanitiser on entry and exit of the premises.

### Exhibitors will:

- Declare any contact with COVID-19 by completing the COVID-Safe Questionnaire with their entry, including the following statements:
  - They have not had any flu-like symptoms within the last two weeks
  - They have not been overseas or interstate within previous two weeks
  - They have not been in close contact within anyone diagnosed with COVID-19 within the last two weeks
  - They do not feel unwell.
- Practice safe hygiene by making use of the hand sanitiser provided by the show management, throughout the show.
- Practice physical distancing requirements of at least 1.5 metres separation, where possible.
- Maintain physical distancing from judges and stewards at all times.
- Should an exhibitor become unwell with COVID-like symptoms prior to the show, it is important that they do not attend. A refund may be possible.
- Should an exhibitor become unwell with COVID-like symptoms during the show, it is important to advise show management immediately. You may be asked to leave the show hall and a COVID-19 test will be required to ensure the safety of all exhibitors.

**\*Cosgrove Hall has a COVID-Safe capacity of 300 people, however this will be limited to EXHIBITORS ONLY. Public will not be allowed at this show. The Hall will be set up as a semi-closed show with in-line judging and a separate area for exhibitors. A presentation area for judges to present their TOP AWARDS will be provided to ensure exhibitors are able to view their cats and kittens being judged.**

**These measures are designed to keep us all safe  
to enjoy our hobby 😊**

## Golden Awards

SEE EACH SECTION FOR ENTRANTS

*Governing Council Golden Awards heats are held at approved shows throughout the year and all Entire and Neuter cats registered with Governing Council are eligible. Entry fee is \$5.00. Once your cat has qualified, it may enter the Governing Council Golden Awards finals free of charge.*

*CASH PRIZES: Group 1, 2, 3 & 4 – Entire & Neuter Sections - First \$50.00 – Second \$30.00 – Third \$20.00*

*A Golden Award will be held annually for Governing Council registered Longhair, Siamese, Foreign Shorthair and British Shorthair, with separate classes for Entire cats and Neuters. All exhibits must be nine (9) months of age or over. Qualifying heats may take place at any approved show except the show at which the finals take place. The finals may take place at a Governing Council Show or at any show nominated by the Governing Council. The entry fee for the qualifying heats is to be \$4.00. There will be no entry fee for the finals, but cats concerned must enter a Challenge or Award of Merit Class.*

*If there are up to nine (9) entries in a Qualifying class the judge may award two (2) qualifiers and a reserve. If there are 10-14 entries the judge may award three (3) qualifiers and a reserve. If there are 15-19 entries there may be four (4) qualifiers and a reserve. For each additional five (5) entries there may be one (1) additional qualifier. There will be no minimum entries required for the class to be held.*

*Qualifiers are eligible to enter the finals but may not enter any more qualifying heats during the current Golden Awards year.*

*Reserves are eligible to enter the Finals if any of the Qualifiers from their heat are not benched. Reserves may attempt to Qualify in their own right at other shows in the same Golden Awards year, and if successful are then qualifiers.*

*Judges may withhold any placings if they do not consider that there are entries of sufficient merit. Exhibits who qualify after the closing of entries for the Finals carry over into the finals of the next Golden Awards year. Governing Council will make available to show holding qualifying heats a suitable prize card. For the finals, Council will provide a prize card, a sash or rosette, and the above monies.*

*Eye Envy*

How to Use  
Eye Envy for  
your Cat

*Tear Stain Remover*

Website: [www.eyeenvy.com.au](http://www.eyeenvy.com.au)

**Step 1:** If your pet's eyes are very crusty and full of debris, then GENTLY clean around their eyes with warm water and a toothbrush (softly) or a small flea comb. Try to remove as much debris as possible. If eyes are mostly runny, with no big clumps of debris, then skip this step.

*Please NOTE: Step 1 is for first time users and for animals that have EXTREME debris in their eyes. After the initial application of Eye Envy, you will only have to do Steps #2 and #3.*

**Step 2:** Shake bottle of Eye Envy solution well and apply to the eyes using the special Eye Envy applying pads.

**Step 3:** Gently wipe around eye area. Don't be afraid to get it too wet. Do NOT pour Eye Envy solution into eyes, but don't worry if a bit gets inside. Allow to dry.

**Step 4:** After completing steps #1 through #3, gently work the EYE ENVY POWDER into your pet's fur, working around the eyes and working powder against the hair growth using the special Eye Envy applying pads. Allow to dry. You can apply the powder immediately after applying the solution. The powder is used more by show people, but definitely brightens the fur. Avoid powder in their nose. VOILA. You're DONE! Your pet's eyes should look great within a few hours!!!!

Do NOT pour into eyes

# PURRPARAZZI

---

Purrparazzi is the collaboration of photographic expertise of two of South Australia's Best Cat Photographers – Melissa Neumann and Rita Bruche. It's important for breeders to be able to promote their cats on social media and on their websites. Their collaboration at this show will provide images that can be used freely to promote the importance of pedigree cats. Copyright remains with the photographers, but the watermarked images are available for free download for the good of the entire community. Non-watermarked images are also available for a small fee.

Please support these photographers where you can so they can continue to provide this service to our community.

Accredited Professional Photographer and Master Photographer Melissa Neumann has always loved photographing pets. As part of her portrait business for some time they have been included in family and baby photoshoots.

Over the last few years Melissa has been moving more and more into specializing in this area and is now known as The Cat Photographer.

Her 30yrs in the photography industry makes her a leader in the Australian Portrait Photography field. She has won many awards for her photographs locally and internationally, she is a speaker for Nikon Australia, and a well renowned photography judge. Her love for cats and pets in general has her moving in a new direction.

Her current project is a book to be released in 2020 called "100 cats". Talk to Melissa about this project if you would like to know more.

Rita is a trailblazer: Rita's work combines 19 years of showing and breeding cats with training in clinical psychology to create photos that show the depth of feeling between people and their beloved furry families.

Rita's lifelong love of photography is "her passion , her compulsion, her therapy".

Rita strives to make each subject show their true character, and to be the star of the session. As a breeder, she understands how important it is that you have the perfect rendering of your perfect specimen for your website. Cats are her favourite subjects, as her life revolves around them. As a cat breeder since 2000 she is surrounded by fascinating subjects!

She pioneered the genre of cat show judging photography in South Australia. This is now an expected part of a cat show experience. It has taken many years of hard work to achieve this status, and She is proud to have archives of wonderful moments from our cat show history.

SomaliRita Catsnaps has regularly donated sponsorship for Cat shows and has raised hundreds for charity via photo booths for the Feline Health Research fund in Australia
