presents:

Tandanya Memorial Cat Show

COSGROVE HALL
6TH SEPTEMBER 2020

PRICE:
\$6.00

GCCFSA COVID-SAFE GUIDELINES

GCCFSA will:

- Keep an attendance record, including the name, phone number or email address, and date and time of people attending the cat show, for the purpose of contact tracing in relation to COVID-19.
- Maintain and encourage others to maintain the physical distancing principle of at least 1.5 metres separation, where possible:
 - This includes between groups within each room.
 - At entry and exit points.
- Consider venue layout and move tables and seating to comply with physical distancing (1.5m separation) and density requirements (1 person per 2 square metres).
- Dedicate separate entry and exit doors from separate rooms, and pathways to encourage “one-way traffic” where possible.
- Minimise mixing between separate rooms or groups of people as much as possible.
- Display signage at the venue entrance to instruct members of the public (and staff) not to enter if they are unwell or have COVID-19 symptoms.
- Monitor compliance with physical distancing requirements, with particular regard to areas where members of the public might congregate.
- Encourage and support downloading of COVID-Safe App.
- Clean bathrooms more frequently than lower traffic areas, especially taps, door handles and other frequently touched points.
- Provide hand sanitiser on entry and exit of the premises.

Exhibitors will:

- Declare any contact with COVID-19 by completing the COVID-Safe Questionnaire with their entry, including the following statements:
 - They have not had any flu-like symptoms within the last two weeks
 - They have not been overseas or interstate within previous two weeks
 - They have not been in close contact within anyone diagnosed with COVID-19 within the last two weeks
 - They do not feel unwell.
- Practice safe hygiene by making use of the hand sanitiser provided by the show management, throughout the show.
- Practice physical distancing requirements of at least 1.5 metres separation, where possible.
- Maintain physical distancing from judges and stewards at all times.
- Should an exhibitor become unwell with COVID-like symptoms prior to the show, it is important that they do not attend. A refund may be possible.
- Should an exhibitor become unwell with COVID-like symptoms during the show, it is important to advise show management immediately. You may be asked to leave the show hall and a COVID-19 test will be required to ensure the safety of all exhibitors.

***Cosgrove Hall has a COVID-Safe capacity of 300 people, however this will be limited to EXHIBITORS ONLY. Public will not be allowed at this show. The Hall will be set up as a semi-closed show with in-line judging and a separate area for exhibitors. A presentation area for judges to present their TOP AWARDS will be provided to ensure exhibitors are able to view their cats and kittens being judged.**

**These measures are designed to keep us all safe
to enjoy our hobby 😊😊**

Eye Envy

How to Use Eye Envy for your Cat

Tear Stain Remover

Website: www.eyeenvy.com.au

Step 1: If your pet's eyes are very crusty and full of debris, then GENTLY clean around their eyes with warm water and a toothbrush (softly) or a small flea comb. Try to remove as much debris as possible. If eyes are mostly runny, with no big clumps of debris, then skip this step.

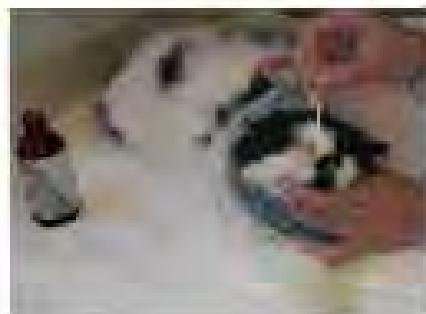

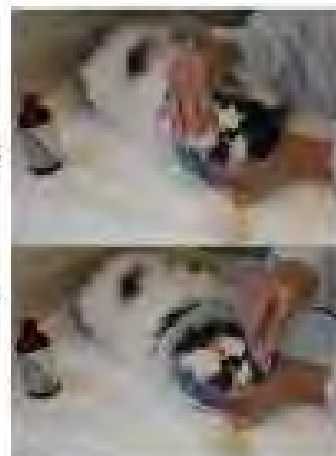

Please NOTE: Step 1 is for first time users and for animals that have EXTREME debris in their eyes. After the initial application of Eye Envy, you will only have to do Steps #2 and #3.

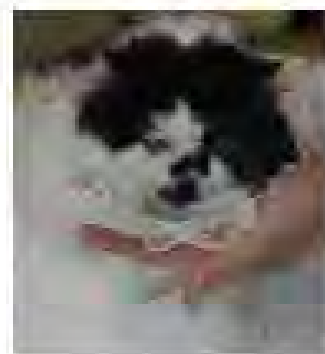

Step 2: Shake bottle of Eye Envy solution well and apply to the eyes using the special Eye Envy applying pads.

Step 3: Gently wipe around eye area. Don't be afraid to get it too wet. Do NOT pour Eye Envy solution into eyes, but don't worry if a bit gets inside. Allow to dry.

Step 4: After completing steps #1 through #3, gently work the EYE ENVY POWDER into your pet's fur, working around the eyes and working powder against the hair growth using the special Eye Envy applying pads. Allow to dry. You can apply the powder immediately after applying the solution. The powder is used more by show people, but definitely brightens the fur. Avoid powder in their nose. VOILA. You're DONE! Your pet's eyes should look great within a few hours!!!!

Do NOT pour into eyes

Welcome

From the Show Manager and Show Secretary.

Welcome to the 2020 Tandanya John Evans Memorial Cat Show.

As Show Manager and Show Secretary we remind you all that we are operating under a COVID-19 Plan registered with the SA Department of Health and so you are asked to maintain social distance (1.5m) at all times where possible and to use the hand sanitiser provided in several places in the hall. It is simply the case that SA Police can visit us at any time and if they find us in breach of the Plan the show can be closed down. We will do our best with our Covid Marshalls to remind you but as this is a busy day we do ask you to take personal responsibility for maintaining the show running in accordance with our COVID-19 Plan.

We welcome and thank our Judges for giving up their Sunday to work here today – Debs Armishaw, Liz Andresen, Karen Moore, Fiona Hawkins and Kingsley Schmidtke.

We welcome and thank our Stewards also because without you the cats could not be shown – Leonie Smith, Kim Mattock, Aime Hobbs, Margy Wright and Scoot Andresen.

Thank you to Angle Park Vet Clinic for providing our Vet and to our exhibitors Kerry Tomlinson and Julie Lawrence for acting as vet nurses at vetting in.

Thanks to our clerks, Jenny DeSouza, Sonya Church, Melanie Wood, Deb Benson and Margy Wright (multi tasking).

Thank you to our Data Entry personnel Chris Bentley and Betty Thomas.

Please purchase your food and drink from the SA Cat Breeders Kitchen.

Remember you have to be in it to win it so please visit the raffle table and buy some tickets.

To our families and friends and Club Members – you know who you are – thank you so much for your assistance in bringing this show together and supporting us in the work we have had to do in order to do so.

We hope you will enjoy your day and if you have any questions please see us!

Kind Regards,

Judith Jordan and Nell Evans
Show Manager and Show Secretary

Breed Awards:

We have Breed Awards in each breed section today (seen in catalogue following classes) and we have avoided combining breeds even if virtually the same breed except for coat length. Sometimes this may leave only one exhibit in a section, but this does not guarantee a win as judges can withhold any award if they do not consider an exhibit to be worthy of it. Each "Best of Breed" will receive a ribbon.

Rosettes for Best to Third Best of Group winners in both Rings, with ribbons for others Group Winners. Fantastic sponsorship has enabled us to be generous. Also, Rosettes for Judges Fancies, Best Junior Exhibitor and prizes for Miscellaneous Award and juniors. All juniors will be given a ribbon in the morning, to wear pinned over a shoulder so we all know who they are. Side Class prizes will be placed on/in cages.

The Group Special Awards

The Group Specials "Prize Awards" are printed at the beginning of each group. Other "specials" for which prizes will be awarded are below.

MISCELLANEOUS AWARDS

M1 BEST DECORATED CAGE.....M 2 LUCKY CAGE
M 3 LUCKY CATALOGUE (NUMBER ON BACK, HAND WRITTEN)

*The winning numbers of the Miscellaneous Awards will be displayed on the wall this afternoon.
Lucky Catalogue must be shown to collect prize. If prize is not collected by end of presentation, there will be a re-draw.*

GOODIE BAGS AND SPONSORED PRIZES

All exhibitors received one of these on admission to the show this morning and we hope you enjoy receiving samples from our sponsors and receiving these little "rewards" for entering our show.

Group winners in Ring 1 will receive food prizes from the generous sponsorship by Purina, and those in ring 2 will receive litter tray kits or litter through Catmate's generosity. We are very grateful to them and our other sponsors who have been so supportive of our show, and whose donations will be used as prizes.

Catpads covered cost of Ring 1 rosettes and all cash donations have been put towards our Ring 2 rosettes and ribbons, reducing the cost to the club, thus allowing us to order breed ribbons for both rings.

When relationships breakdown decisions often have to be made quite quickly in order to allow the parties to separate and move on with their lives with as little stress as is possible given the change of circumstances. Regardless of whether a couple are married, defacto or in a same sex relationship, the relationship ending can cause disputes involving many personal and financial issues. These disputes can be emotionally draining and daunting particularly where children are involved or if there are complex financial matters to be addressed.

I work closely with clients to establish precisely what their concerns are and I actively listen and advise on the outcome that they want. I will discuss the numerous options that are open to them and explain in plain English the likely outcomes of each alternative that I offer.

The areas in which I work include the following:

1. Separation;
2. Divorce;
3. Parenting issues;
4. Child support;
5. Property settlement;
6. Spouse maintenance;
7. Child maintenance;
8. Defacto and Domestic Partner relationships;
9. Binding Financial Agreements (prenuptial agreements);
10. Certificated Cohabitation Agreements (Defacto and Domestic Partnership matters);
11. The rights of grandparents;
12. Collaborative law;
13. Wills and Enduring Powers of Attorney and Guardianship;
14. Binding Financial Agreements.

I am happy to meet with clients on the basis of a **First Free Interview**. My office is conveniently located less than 10 minutes from the Adelaide CBD at 312b Unley Road Hyde Park which is on the corner of Fashoda Street and Unley Road. Entry is just off Fashoda Street behind the dress shop on the corner.

My office telephone number is 8357 2142 or you can email me at info@judithjordan.com.au.

WHO was John Evans?

The following was published in the 2016 ACF Yearbook:

Henry John Evans was known to all as John. Early in 1963 he met Eleanor Button, whom he "renamed" Nell, and they married on 9 November that year. They were together and inseparable until John's death on 29 November 2015. They had two daughters, Tiffany and Linda. One of John's proudest moments was when Linda produced his only grandchild in 2001. He was there to welcome Tariq into the world, and he cut the cord. Then began a new learning curve — a very easy and pleasurable one — how to be, according to Tariq, "the best grandad in the world". John adored Tariq and was so proud of him and his achievements.

In 1974, John and Nell fulfilled her childhood dream of owning a Persian cat. They bought Felicia, a blue Persian, with "breeding rights". They had no idea what changes she would bring to their lives. They bred many kittens and loved their involvement with the felines, but John really showed how capable he was in the cat fancy. He ran shows without losing his cool and became a registrar for the Governing Council of the Cat Fancy of South Australia, learning to use computer technology and working out some of the intricacies of genetic possibilities. He also took on the foundation of the registry of Cats Victoria Inc. which he passed on to a successor last year.

In the years that followed John accompanied Nell to every National Cat Show and supported Nell in her role of Honorary Secretary of the Australian Cat Federation (as well as both having a role in the SA Cat Fancy). They visited every State in Australia and John made many friends at these events. He used to say he went just so Nell could use his baggage allowance and so he could carry her bags. At every national show, until last year, he helped with the physical work that had to be done and was always ready to do anything he could to help anyone, even if it was only giving a smile or a hug when needed.

John was almost always unruffled, and was a calming influence on those around him. He had a knack of knowing what was needed, whether it was a job to be done or a hug to be given at the right moment. In August 2014 he was diagnosed with cholangiocarcinoma. He took it in his stride when the prognosis was that it was inoperable, terminal but he was not expected to die within 12 months. John had six cycles of chemotherapy without any of the expected side effects. He and the family continued to live a normal life and he made his usual trip to the National Cat Show in Perth with Nell. Unfortunately, he had unknowingly developed an ulcer that began to bleed. He suffered severe fluid build-up and, despite ongoing medical intervention, the poisons that had built up in his blood determined the outcome, and on Friday 27 November he went home by ambulance to do what he had always hoped would be possible . . . to die at home.

The Australian cat fancy will miss John greatly.

Footnote, nearly five years on, because one can't think of everything when writing an obituary, from which the above was extracted): There was little that John could not or would not do, His spent many years in aeromodelling, loved camping (at Port Hughes preferably), was aa keen fisherman and boatie, turned his hand to demolition, construction painting, concreting, was a great mechanic, an aircraft airframe mechanic (and rebuilt a Tiger Moth), avid reader, competitive square dancer, gardener, and had the most amazing sense of wry humour and was the most compassionate and helpful gentleman oany of us knew and loved.
