TANDANYA CAT CLUB INC.
CLUB LIBRARY
MARCH 1992

The Club has a Library, with a collection of Cat Books which are available for members to borrow. The Library system and Rules: A book is kept by the "club librarian" in which all books are listed. Members borrow books for a limited time (one month). Borrower's name, date book is borrowed and date due for return are recorded in the same book, then date of return. Borrowers are expected to take care of any book they borrow, and return it by due date, in good condition, and they are responsible for replacing books lost or destroyed while in their care. The club librarian has care of the books and of the recording book. Books were donated to the Club Library by members and others, and names of donors listed in books and in records. John and I are looking after the library until a volunteer can be found. BREAKING UP IS HARD TO DO

Transitioning your family from one home to two is hard but doesn't have to be a war.

At separation and for quite a while after you are likely to feel a mixture of being overwhelmed, relief, anger and sadness for a planned future that is lost.

At a time of great sadness and stress you need a legal advisor with a cool head who can help put things in perspective and generate options with advice on likely outcomes for you.

I have over 20 years' experience in family law as a successful litigator and negotiator – so you know that I know how to protect your financial interests and those of your children as you move on.

I have been where you are – I had 3 small children when the adult relationship fell apart. Thankfully I had a very good friend who was a family lawyer who said, "Don't go to Court". I didn't, we resolved it in under a year and we moved forward coparenting, not always smoothly as life throws curve balls, but our children are now parents themselves and we are both very proud of them.

I am a Nationally Accredited Mediator, a Parenting Coordinator and Collaboratively Trained Lawyer so I have the skillset to steer you safely as you resolve property and children's matters.

Call or email me for a first free interview – let's chat.
