GCCFSA COVID-SAFE GUIDELINES

GCCFSA will:

- Keep an attendance record, including the name, phone number or email address, and date and time of people attending the cat show, for the purpose of contact tracing in relation to COVID-19.
- Maintain and encourage others to maintain the physical distancing principle of at least 1.5 metres separation, where possible:
 - o This includes between groups within each room.
 - o At entry and exit points.
- Consider venue layout and move tables and seating to comply with physical distancing (1.5m separation) and density requirements (1 person per 2 square metres).
- Dedicate separate entry and exit doors from separate rooms, and pathways to encourage “one-way traffic” where possible.
- Minimise mixing between separate rooms or groups of people as much as possible.
- Display signage at the venue entrance to instruct members of the public (and staff) not to enter if they are unwell or have COVID-19 symptoms.
- Monitor compliance with physical distancing requirements, with particular regard to areas where members of the public might congregate.
- Encourage and support downloading of COVID-Safe App.
- Clean bathrooms more frequently than lower traffic areas, especially taps, door handles and other frequently touched points.
- Provide hand sanitiser on entry and exit of the premises.

Exhibitors will:

- Declare any contact with COVID-19 by completing the COVID-Safe Questionnaire with their entry, including the following statements:
 - o They have not had any flu-like symptoms within the last two weeks
 - o They have not been overseas or interstate within previous two weeks
 - o They have not been in close contact within anyone diagnosed with COVID-19 within the last two weeks
 - o They do not feel unwell.
- Practice safe hygiene by making use of the hand sanitiser provided by the show management, throughout the show.
- Practice physical distancing requirements of at least 1.5 metres separation, where possible.
- Maintain physical distancing from judges and stewards at all times.
- Should an exhibitor become unwell with COVID-like symptoms prior to the show, it is important that they do not attend. A refund may be possible.
- Should an exhibitor become unwell with COVID-like symptoms during the show, it is important to advise show management immediately. You may be asked to leave the show hall and a COVID-19 test will be required to ensure the safety of all exhibitors.

***Cosgrove Hall has a COVID-Safe capacity of 300 people, however this will be limited to EXHIBITORS ONLY. Public will not be allowed at this show. The Hall will be set up as a semi-closed show with in-line judging and a separate area for exhibitors. A presentation area for judges to present their TOP AWARDS will be provided to ensure exhibitors are able to view their cats and kittens being judged.**

**These measures are designed to keep us all safe
to enjoy our hobby 😊**

GOVERNING COUNCIL GOLDEN AWARDS

Governing Council Golden Awards heats are held at approved shows throughout the year and all Entire and Neuter cats registered with Governing Council are eligible. Entry fee is \$5.00. Once your cat has qualified, it may enter the Governing Council Golden Awards finals free of charge.

CASH PRIZES: Group 1, 2, 3 & 4 - Entire & Neuter Sections - First \$50.00 – Second \$30.00 – Third \$20.00

A GOLDEN AWARD FINAL will be held annually for Governing Council registered PEDIGREED CATS, with separate classes for Entires and Neuters. All exhibits must be nine (9) months of age or over. Qualifying heats may take place at any approved show except the show at which the finals take place. The finals may take place at a Governing Council Show or at any show nominated by the Governing Council. The entry fee for the qualifying heats is to be \$5.00. There will be no entry fee for the finals, but cats concerned must enter a Challenge or Award of Merit Class. If there are up to nine (9) entries in a Qualifying class the judge may award two (2) qualifiers and a reserve. If there are 10-14 entries the judge may award three (3) qualifiers and a reserve. If there are 15-19 entries there may be four (4) qualifiers and a reserve. For each additional five (5) entries there may be one (1) additional qualifier. There will be no minimum entries required for the class to be held.

Qualifiers are eligible to enter the finals but may not enter any more qualifying heats during the current Golden Awards year. Reserves are eligible to enter the Finals if any of the Qualifiers from their heat are not benched. Reserves may attempt to Qualify in their own right at other shows in the same Golden Awards year, and if successful are then qualifiers. Entire cats who qualify for the finals and then are desexed prior to the finals, must requalify in the Neuter class for the finals. Desexed cats must qualify in the Neuter qualifying classes. Entire qualification is not transferrable to Neuter class. Judges may withhold any placings if they do not consider that there are entries of sufficient merit. Exhibits who qualify after the closing of entries for the Finals carry over into the finals of the next Golden Awards year. Governing Council will make available to show holding qualifying heats a suitable prize card. For the finals, Council will provide a prize card, a sash or rosette, and the above monies.

Join me on my crusade to make the world a better place for cats.

Melissa Neumann is on a crusade to make the world a better place for all cats. Using her photography and social media skills she educates about and inspires responsible cat ownership. If we can focus on giving cats a good life, understanding their needs, quelling myths about them, and ensuring they are well cared for, then the world will simply be a better place to live.

Responsible cat ownership

Cat owners have a **responsibility** to their **cats**, their **neighbours** and the **environment**. Cats are quirky creatures, and it is up to us to try to work out what our cat is trying to tell us it needs. Making sure our cats are not a nuisance to others or causing environmental impact is **our responsibility**.

Everyone has the best cat

No matter how you came to have a cat in your life, you have the very best one. It doesn't matter what breed it is, or how they came to be part of your family, it is without doubt that they are the **very best cat ever**. We have a house full of cats and **every single one** of them is the **best cat** and **my favourite**.

Cat containment

Cats must be **kept on your property**. It's a very unsafe world out there for cats. They are curious beings and get into all sorts of trouble. Let's create **safe environments** where they can be **entertained**, have their lives **enriched** and be **well cared** for.

Neuter and microchip

There is no reason in today's world for your cat to have a litter of kittens unless you are a responsible registered breeder. Don't worry, domestic cats will always be around. Many domestic kittens and cats are dumped every year so the domestic breed is not in jeopardy of disappearing. What we need to do is **ensure** that **every cat** has a **loving home** and its **needs understood**.

No judgement, no blame, just solutions

Life can throw us **tough times** sometimes and it's easy to have the **best of intentions** but the **worst of outcomes**. I'm not interested in blaming people because they are not doing the best by their cats. I'm hoping that I can **inspire** and **educate**.
