A Word from the President

Nearly 20 years ago I got together with a group of Rex owners and breeders and started a club specifically for our curly wonders. The Rex Cat Fanciers of South Australia was born with me being thrown in as President. The club was based around having fun, supporting each other and the Cat Fancy and naturally, spreading the word about the Rex breeds.

Over the years, members came and went, committees changed, the original objectives of the club were lost and sadly the club was on the point of closure - until this year when I got together with a group of Rex owners and breeders and revived the club. The Rex Cat Fanciers of South Australia was re born, with me being thrown in as President – again. We re-started with nothing but enthusiasm and a bunch of fantastic members who worked so damn hard in a few short months to get the club to a point where we are running a 'Rex Revival' show with over 160 exhibits and several fellow Rex lovers coming from interstate.

The club has been incredibly fortunate to have so many of its members (and a life members' mum) sponsoring the show, which for me has been heart warming to see. Huge thanks must go to the Australian Rex Coated Breeds Club which was hit so hard by COVID, but has supported the Rex ring with rosettes and prizes. I acknowledge with great thanks all our sponsors without whom running a show would be extremely difficult but I have to single out CMI Toyota whose support has enabled a new struggling club to get over the line and bring you this fantastic show.

Living in the Riverland has proven a barrier to being a show manager, and I am so very grateful for the efforts of Leonie Smith and Allyson Ongley who took on the role for me. Not only have they coordinated an Open Show and a Rex Specialty Ring but they have provided a 4th ring to enable the GCCFSA Group 1 and 2 trainee judges complete their required assignments. Top effort ladies! My great thanks also to the rest of the show committee for working so well together and of course our admin team who have put in long hours with tight timeframes in order to pull off our 'Rex Revival' show. Thank you everyone and enjoy the show!!

Eva Sherriff – President, Rex Cat Fanciers of SA

First of a big thank you goes out to Fiona Miller for all her tech support with the awesome schedule and all things technical. I would like to thank Leonie for being a awesome co show manager. She listens when I come up with some weird ideas , keeps me grounded , and is only a phone call away when I am stressed to the max about something.

There are a few people that have helped with the show that I would like to mention - my sister, Jenny de Souza, she has been a rock to both Leonie and myself. Nothing is too hard for her, always willing to help us and our crazy plans and she does this just to support both of us as she does not even own a cat . I don't know many people that would happily get up and be somewhere at 7am on a Sunday to open a hall for no other reason but to be part of the team . I can not forget the two people that most probably put up with so much, Darryl Smith and Mal Ongley, always backing us and helping even if both would prefer to be at a dog show with their pride and joys . Also the Rex Club for allowing us to be part of the team and letting us be your show managers .You have put a lot of trust and faith in us and we hope we have helped you run a fun show.

Allyson Ongley – Show Manager, Rex Cat Fanciers of SA

Golden Awards

SEE EACH SECTION FOR CATS ENTERED IN HEAT

Governing Council Golden Awards heats are held at approved shows throughout the year and all Entire and Neuter cats registered with Governing Council are eligible. Entry fee is \$5.00. Once your cat has qualified, it may enter the Governing Council Golden Awards finals free of charge.

CASH PRIZES: Group 1, 2, 3 & 4 - Entire & Neuter Sections - First \$50.00 – Second \$30.00 – Third \$20.00

A GOLDEN AWARD FINAL will be held annually for Governing Council registered PEDIGREED CATS, with separate classes for Entires and Neuters. All exhibits must be nine (9) months of age or over. Qualifying heats may take place at any approved show except the show at which the finals take place. The finals may take place at a Governing Council Show or at any show nominated by the Governing Council. The entry fee for the qualifying heats is to be \$5.00. There will be no entry fee for the finals, but cats concerned must enter a Challenge or Award of Merit Class. If there are up to nine (9) entries in a Qualifying class the judge may award two (2) qualifiers and a reserve. If there are 10-14 entries the judge may award three (3) qualifiers and a reserve. If there are 15-19 entries there may be four (4) qualifiers and a reserve. For each additional five (5) entries there may be one (1) additional qualifier. There will be no minimum entries required for the class to be held.

Qualifiers are eligible to enter the finals but may not enter any more qualifying heats during the current Golden Awards year. Reserves are eligible to enter the Finals if any of the Qualifiers from their heat are not benched. Reserves may attempt to Qualify in their own right at other shows in the same Golden Awards year, and if successful are then qualifiers. Entire cats who qualify for the finals and then are desexed prior to the finals, must requalify in the Neuter class for the finals. Desexed cats must qualify in the Neuter qualifying classes. Entire qualification is not transferrable to Neuter class. Judges may withhold any placings if they do not consider that there are entries of sufficient merit. Exhibits who qualify after the closing of entries for the Finals carry over into the finals of the next Golden Awards year. Governing Council will make available to show holding qualifying heats a suitable prize card. For the finals, Council will provide a prize card, a sash or rosette, and the above monies.

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
