BREAKING UP IS HARD TO DO

Transitioning your family from one home to two is hard but doesn't have to be a war.

At separation and for quite a while after you are likely to feel a mixture of being overwhelmed, relief, anger and sadness for a planned future that is lost.

At a time of great sadness and stress you need a legal advisor with a cool head who can help put things in perspective and generate options with advice on likely outcomes for you.

I have over 20 years' experience in family law as a successful litigator and negotiator – so you know that I know how to protect your financial interests and those of your children as you move on.

I have been where you are – I had 3 small children when the adult relationship fell apart. Thankfully I had a very good friend who was a family lawyer who said, "Don't go to Court". I didn't, we resolved it in under a year and we moved forward coparenting, not always smoothly as life throws curve balls, but our children are now parents themselves and we are both very proud of them.

I am a Nationally Accredited Mediator, a Parenting Coordinator and Collaboratively Trained Lawyer so I have the skillset to steer you safely as you resolve property and children's matters.

Call or email me for a first free interview – let's chat.
