## From the Show Managers and TCC

*We, and Tandanya Cat Club Inc, are mindful . . . and very appreciative . . . of all the help we receive from others in the cat fancy – often very busy people who are so generous with their time, including Judges, Stewards and Clerks. . . , We are not listing them all because we are sure to miss someone, but you all know who you are, and observant exhibitors will know too, but special thanks go to Fiona Hawkins who took on the enormous task of entry officer and show secretary, Judith Jordan who not only organises such great sponsorship for GCCFSA affiliated clubs' shows, but also does prize allocations, labelling and bringing product prizes to the show ready for presentation. Thank you all. We could not have done it without you.*

*We also thank the cats and their owner, for there would be no shows without them and our wonderful sponsors who make shows financially successful.*

*Tiff & Nell*

**WHO** was John Evans? (repeating from our last show, mostly condensed from the 2016 ACF Yearbook):

Henry John Evans was known to all as John. Early in 1963 he met Eleanor Button, whom he "renamed" Nell, and they married on 9 November that year. They were together and inseparable until John's death on 29 November 2015. They had two daughters, Tiffany and Linda. One of John's proudest moments was when Linda produced his only grandchild in 2001. He was there to welcome Tariq into the world, and he cut the cord. Then began a new learning curve – a very easy and pleasurable one – how to be, according to Tariq, "the best grandad in the world". John adored Tariq and was so proud of him and his achievements.

In 1974, John and Nell fulfilled her childhood dream of owning a Persian cat. They bought Felicia, a blue Persian, with "breeding rights". They had no idea what changes she would bring to their lives. They bred many kittens and loved their involvement with the felines, but John really showed how capable he was in the cat fancy. He ran shows without losing his cool and became a registrar for the Governing Council of the Cat Fancy of South Australia, learning to use computer technology and working out some of the intricacies of genetic possibilities. He also took on the foundation of the registry of Cats Victoria Inc. which he passed on to a successor last year.

In the years that followed John accompanied Nell to every National Cat Show and supported Nell in her role of Honorary Secretary of the Australian Cat Federation (as well as both having a role in the SA Cat Fancy). They visited every State in Australia and John made many friends at these events. He used to say he went just so Nell could use his baggage allowance and so he could carry her bags. At every national show, until last year, he helped with the physical work that had to be done and was always ready to do anything he could to help anyone, even if it was only giving a smile or a hug when needed.

John was almost always unruffled, and was a calming influence on those around him. He had a knack of knowing what was needed, whether it was a job to be done or a hug to be given at the right moment. In August 2014 he was diagnosed with cholangiocarcinoma. He took it in his stride when the prognosis was that it was inoperable, terminal but he was not expected to die within 12 months. John had six cycles of chemotherapy without any of the expected side effects. He and the family continued to live a normal life and he made his usual trip to the National Cat Show in Perth with Nell. Unfortunately, he had unknowingly developed an ulcer that began to bleed. He suffered severe fluid build-up and, despite ongoing medical intervention, the poisons that had built up in his blood determined the outcome, and on Friday 27 November he went home by ambulance to do what he had hoped from that first diagnosis would be possible. would be possible . . . to die at home.

The Australian cat fancy will miss John greatly.

Footnote, nearly six years on, because one can't think of everything when writing an obituary, from which the above was extracted): There was little that John could not or would not do, His spent many years in aeromodelling, loved camping (at Port Hughes preferably), was a keen fisherman and boatie, turned his hand to demolition, construction painting, concreting, was a great mechanic, an aircraft airframe engineer (and rebuilt a Tiger Moth), avid reader, competitive square dancer, gardener, had the most amazing sense of wry humour and was the most compassionate and helpful gentleman oany of us knew and loved.
