Kathy Calhoun – CFA Delegate

Kathy Calhoun was born and raised in Chicago, where she still lives. A CFA judge since 2007, Kathy founded her cattery, 5800 Dreams, in 1991, with her son. Her primary breed has always been the Maine Coon, but she has also bred American Shorthairs, American Wirehairs, and recently began to breed Lykoi. Other breeds she has worked with include Persians, Orientals, Abyssinians, Chartreux, and Devon Rex. She has achieved national wins with both her Maine Coons and her American Wirehairs.

Her resume in CFA is extensive; she is not only a member and a Secretary for several show producing clubs but serves as the treasurer for the Maine Coon Breed Council, the CFA Foundation, and the CFA organization itself. She also served as Midwest Regional Director.

Recently retired from her job as a Product Manager with Pepsico, Kathy has been a CFA judge since 2007. She has judged across the United States, Asia, Europe, Latin America, Canada, Russia, New Zealand, South Africa, and Australia. When not involved with cats, judging, or her many organizational responsibilities, Kathy has been known to play the bagpipes.

Rachel Anger – CFA Advisor

Rachel Anger is currently serving her eighth term as Secretary on the Cat Fanciers' Association (CFA) Board of Directors. She is an all-breed judge in CFA and the past Chair of the CFA Judging Program. Rachel continues to participate on the faculty of the CFA Breed Awareness and Orientation Schools as an instructor. She currently breeds Persians and Sphynx at her Camberwell cattery. Rachel also owns and shows Papillion dogs.

Annette Sjödin – FIFe Delegate

Annette Sjödin is currently the President of the Fédération Internationale Féline (FIFe). She is also the President of Sweden's FIFe member, Sveriges Kattklubbars Riksförbund (SVERAK), a position she has held for several years and President of the Swedish club, Västsvenska Kattklubben. Annette has also been active on several commissions within SVERAK. She is a FIFe International all-breed judge and has bred Persians, Exotics and Burmese.

John Hansson – GCCF Delegate

John Hansson is currently the Chairman of the Governing Council of the Cat Fancy (GCCF). He is also Event Co-ordinator for the GCCF Supreme Show, a member of GCCF Genetics Committee, Chair of the Breed Advisory Committee Review Group, President of the Rex Cat Club, RagaMuffin Cat Club, Progressive Ragdoll Cat Club and Vice-president of the Red Point and Tortie Point Siamese Cat Club. John breeds primarily Siamese, Oriental and Cornish Rex under the prefix Pannaduloo.

David Colley – NZCF Delegate

David Colley has been a Shorthair Judge with NZCF for over 15 years. He and his wife have bred Cornish Rex, Russian and Devon Rex starting in 1999. He has been on the NZCF Executive Council for 6 years.

Jan van Rooyen – SACC Delegate

Jan van Rooyen is currently the Treasurer of the Southern African Cat Council (SACC) and a Judges Council Delegate. He is also a former President of SACC, having held that post from 2009 – 2012. Jan started his judging course in 1995 and became an all-breeds judge in 2001. His involvement in the cat fancy started in 1989 when he started breeding and showing Burmese, which he continues today under the cattery name Zion.

Vicki Jo Harrison – TICA Delegate

Vicki Jo Harrison is the current President of The International Cat Association (TICA). She is an approved Allbreed Judge and Ring/School Instructor. Vicki Jo served 2 terms on the TICA Board of Directors as the South-Central Regional Director prior to being elected President. She breeds Siamese and Oriental Shorthair cats under the Radiance Cattery and is the current Siamese Breed Group Committee Chairperson. She has been actively involved in the cat fancy and has been a member of TICA since 1983.

Anneliese Hackmann – WCF Delegate

Anneliese Hackmann is currently President of the World Cat Federation (WCF), an organization she founded in 1988. She is also President of the German WCF member, Deutsche Edelkatze e.V. Anneliese is a WCF All-breed judge and for some time was one of the few breeders of the German Rex. She has written several books about cats, the most successful being Birmankatzen. Anneliese—as President of WCF—was one of the founder members of the World Cat Congress.

Kingsley Schmidtke ACF (GCCFSA)

Kingsley has been involved in The Cat Fancy since 1980, showing his first Burmese whilst starting High School. It wasn't long until his involvement included running annual shows, stewarding and being active in a variety of cat clubs, whilst doing his HSC. In 1998 he obtained his OFS Judging licence, followed soon after with BFM in 2002, to complete the national Group 3 class.

Having bred Burmese, British, Scottish folds and being owned by two Turkish Vans, he retired from breeding in 1999.

In 2022 he extended his Judging Licence to include the beautiful Group 1 Breeds and is currently undertaking his Group 2 training with GCCFSA which will enable him to become an all-breeds judge.

To quote Kingsley “ I feel privileged to share my love of felines with other like-minded people and truly appreciate the friends I have made all over the world”.

Erin Brown ACF (FCCQ)

Erin was licensed to judge Group 2 in 2001 and became an all-breeds judge in 2008. She is also an all-breeds dog judge and judges all over the world in both capacities.

Erin has judged cats in the USA, the Philippines, China, The UK and New Zealand as well as in most states of Australia. She believes strongly that we have a responsibility to put some effort back into the animal fancy; to make it a better hobby for everyone.

In partnership with Penny Dunkley, Erin ran a very successful dog and cat boarding facility in Brisbane before retiring to Beechmont where she now has more time to follow her passions in life.

INTRODUCTION TO THE WORLD CAT CONGRESS

In 1994 the Italian cat club, Associazione Nazionale Felina Italiana, organised a major event in the cat fancy under the title 'Cats and Man'. This event took place in Venice in June of that year and consisted of a seminar in which some distinguished Italian scholars from the fields of art, literature and science took part. There was also an international cat show and a meeting between the representatives of several of the world's major cat associations from the United States, Don Williams, President of the Cat Fanciers Association (CFA); from the United Kingdom, Brenda Wolstenholme, Chairman of the Governing Council of the Cat Fancy (GCCF); and from Europe, Alva Uddin, President of FIFe, and Anneliese Hackmann, President of the World Cat Federation (WCF). Most of those taking part in this first meeting saw the importance of international co-operation and it was decided to establish a regular meeting of the presidents of the associations, to study and to seek solutions for problems of common interest. Subsequent meetings have followed the pattern established in Venice: seminars, an international show at which the participating heads of organisations are invited to judge and a meeting of representatives of the world's cat associations.

ABOUT ACF (Inc.)

The Australian Cat Federation (Inc.) is a National Governing body with affiliates in all States and the Northern Territory. The ACF has endeavoured over the years to bring uniformity to the cat fancy in various key areas which have an effect on cat breeding and cat showing.

It's not just the show on the National weekend. It's the Annual General Meetings of ACF and its Judges' Guild and a seminar to which all are welcome and in 2023 are the hosts for the World Cat Congress

ABOUT TFA (Inc.)

The Tasmanian Feline Association is a full affiliate member of the Australian Cat Federation (ACF), with over 70 members and breeders from all over Tasmania.

Our mission is to promote the responsible breeding of pedigree cats and their health, raise public awareness about responsible cat ownership and encourage member participation in all aspects of the association.
